**ORDER FOLLOWING NOVEMBER 20,  
2014 DISCOVERY CONFERENCE**

15 Discovery and related disputes in this matter has been referred to the undersigned  
16 magistrate judge. (Dkts. No. 39, 65.) For the reasons stated at the hearing held on November 20,

18 1. Defendant shall produce all remaining Collecto call logs by November 26, 2014.  
19 Defendant shall submit a declaration by December 2, 2014, indicating whether production of  
20 Collecto call logs is complete, and whether the documents produced include information about  
21 disposition, dialer ID, and dialing mode.

22 2. A further telephone status conference shall be held on December 11, 2014 at 9:00  
23 a.m.

24 3. With respect to Plaintiff's Motion to Continue the Court's December 16, 2014  
25 Deadline to Move for Class Certification (Dkt. No. 57), the current deadline is VACATED. The  
26 Court will discuss with the parties a new schedule for briefing class certification during the  
27 December 11 telephone status conference.

28 4. The Motion to Quash Plaintiff's Subpoena to Produce Documents (Dkt. No. 63)  
29 filed by Non-party Valentine & Kebartas, Inc. ("V&K") is DENIED without prejudice to refile.  
30 It does not appear from V&K's motion that the parties have sufficiently met and conferred  
31 regarding V&K's objections to the subpoenas as required by this Court's Standing Orders. The

1 Court accordingly orders V&K and Plaintiff to meet and confer regarding the dispute. If any  
2 dispute remains following the meet-and-confer, the parties shall file a joint discovery letter in  
3 accordance with this Court's Standing Order.

4       5. Plaintiff's request for spoliation sanctions set forth in the parties' Letter Brief  
5 Regarding Sanctions for Obstruction of Class Discovery (Dkt. No. 61) is DENIED without  
6 prejudice to refiling in the form of a formally noticed motion.

7              This Order disposes of Docket Nos. 57, 61, and 63.
